

```
graph RL; main[main] --> env[environment::getDebugLevel];
```

environment::getDebugLevel

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'environment::getDebugLevel'. The box on the right is white and contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the left side of the 'environment::getDebugLevel' box, indicating a call or relationship from 'main' to the function.
