```

environment::getSysArch

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'environment::getSysArch'. The box on the right is white and contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the left side of the 'environment::getSysArch' box, indicating a function call or data flow from 'main' to 'environment::getSysArch'.
