

`_analysis`

The diagram shows a package structure for `_analysis`. It consists of a light blue outer rectangle labeled `_analysis` at the top. Inside this rectangle is a white inner rectangle. Within the white rectangle, there are four elements: a red-outlined box labeled `lib`, a red-outlined box labeled `init`, a black-outlined box labeled `doc`, and the text `pythonTools`.

`lib`

`init`

`doc`

`pythonTools`
