

```
graph RL; main[main] --> getRandomSeed[environment::getRandomSeed];
```

environment::getRandomSeed

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'environment::getRandomSeed'. The box on the right is white and contains the text 'main'. A blue arrow points from the right side of the 'main' box to the left side of the 'environment::getRandomSeed' box.
