

environment::perform
_FIXED_GillespieComputation

```
graph LR; main[main] --> func[environment::perform_FIXED_GillespieComputation];
```

The diagram consists of two rectangular boxes. The box on the left is larger, filled with a light gray color, and has a black border. It contains the text 'environment::perform' on the first line and '_FIXED_GillespieComputation' on the second line. The box on the right is smaller, white, and has a black border. It contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the right side of the larger gray box.
