

```
graph RL; main[main] --> env[environment::clearGilScores];
```

environment::clearGilScores

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'environment::clearGilScores'. The box on the right is white and contains the text 'main'. A blue arrow points from the 'main' box to the 'environment::clearGilScores' box, indicating a call or relationship from 'main' to the function.
