

environment::createInitial
CatalysisLayerFromFileSTD

```
graph RL; main[main] --> func[environment::createInitialCatalysisLayerFromFileSTD];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'environment::createInitialCatalysisLayerFromFileSTD' in two lines. The box on the right is white and contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the right side of the gray box.
