

environment::resetConcentration
ToInitialConditions

```
graph RL; main[main] --> env[environment::resetConcentrationToInitialConditions];
```

A diagram illustrating a function call. On the right, a white rectangular box with a black border contains the text 'main'. A dark blue arrow points from the right side of this box to the right side of a larger, gray rectangular box with a black border on the left. The gray box contains the text 'environment::resetConcentration' on the top line and 'ToInitialConditions' on the bottom line.
